

## In Errata

A figure was left out of the formatting of the article Rudroju et al. Comparative Efficacy and Safety of Six Antidepressants and Anticonvulsants in Painful Diabetic Neuropathy: A Network Meta-analysis. This manuscript was published in Pain Physician 2013; 16:E705-E714.

The corrected pdf is available at [www.painphysicianjournal.com](http://www.painphysicianjournal.com)

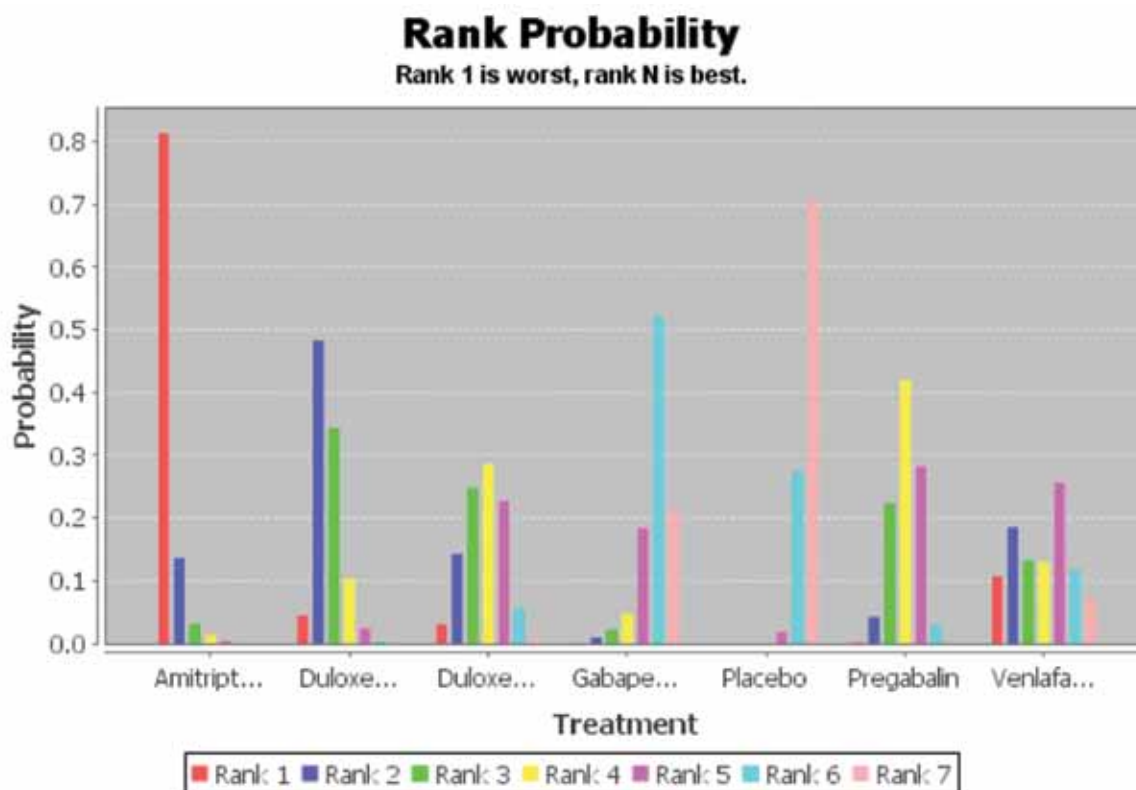

Fig 3. Ranking probabilities for each drug based on the safety.
